## Expansion 1 - Little Red Riding Hood

One day, Little Red Riding Hood went into the forest to visit her grandma. Soon clever Little Red Riding Hood found out that the sneaky wolf was following her. She shouted "The wooolf! The wooolf!!" to alert the village people, but unfortunately no one believed her, because they fell so often for the lies of the shepherd boy. The hunter was the only one left who could help her. Can she find him on time?

### Game set-up

The "Little Red Riding Hood" expansion can be used with the basic and the advanced game. Select the character cards depending on the number of players. Add the "Little Red Riding Hood" card. Remove one sheep card that has appearance "sheep" and return it to the box.

### Game round - overview

#### Stage of Little Red Riding Hood detects the wolf

When preparing a game round and after having determined the start player, the additional step "Little Red Riding Hood detects the wolf" is carried out. This step is moderated by the start player.

Little Red Riding Hood detects the wolf

1. All players clench their right hand into a fist and place it on the table. **The start player says: "Clench your right hand and put it on the table."**
2. All players, including the start player, close their eyes. **The start player says: "Close your eyes."**
3. The player, who is the character "Little Red Riding Hood" opens his eyes. **The start player says: "Little Red Riding Hood: Open your eyes."**
4. The players who play the character wolf, put their thumb up. **The start player says: "Wolves: put your thumbs up."**
5. The start player slowly counts from five to one to give Little Red Riding Hood some time to check who is a wolf. **The start player says: "5 – 4 – 3 – 2 – 1"**
6. The player who plays the character Little Red Riding Hood closes his eyes. **The start player says: "Little Red Riding Hood: Close your eyes."**
7. All players open their eyes and the round begins. **The start player says: "Open your eyes. The round begins."**

*Note: The step "Little Red Riding Hood detects the wolf" is always carried out, whether or not the character Little Red Riding Hood is played by one of the players.*

#### Sequence of play

The player, who plays the character Little Red Riding Hood, can only peek at character cards of players who play the character wolf. No matter what he sees, the player must always place a clue token "wolf" in front of the other player and claim "He is a wolf!". However, if the appearance of the card shows a question mark, he must place a question mark token in front of the other player and say "I do not know, who he is!".
